A Little Party Never Hurt Nobody!

The 11th Annual Munchin' at the Mansion was a huge success! We'd like to offer a huge thanks to all of our vendors, guests, event volunteers, and everyone else who helped make this event happen!

To see some highlights from the night, make sure to visit our Facebook gallery [Munchin' at the Mansion 2018](#). And, if you were lucky enough to get to visit our photo booth, you can find digital copies of your pictures at www.posersinabooth.com/casa.

Also, make sure to visit our awesome and delicious vendors and tell them C.A.S.A. sent you! This event wouldn't have been the same without [LOT22 Olive Oil Co.](#), [Greensleeves Steak House](#), [Augie's Coffee](#), [Michele's Custom](#)

[Pastries](#), [Brew Rebellion](#), [Hangar 24](#), [State Street Winery](#), [Fire-A Pizza Co.](#), [a la minute](#), [Wingstop-Highland](#), [Starbucks](#), and [Senor Big Ed](#)!

Munchin' at the Mansion takes a lot of hard work from our staff and it makes us so happy to see you enjoy yourselves while you raise money to help support vulnerable youth in this county!

Five Kids, One Day!

This month we are launching Five Kids, One Day, a campaign dedicated to raising enough money to get at least five kids off of our wait list and paired with stable and consistent advocates.

We thought this campaign would be an awesome way for C.A.S.A. to participate in Give BIG San Bernardino County, a day of giving for the entire county. Our goal is to raise \$5,000 during this concentrated 24 hours of online giving, the cost that goes into recruiting, screening, training, and supervising five volunteers!

As October 30th draws closer we will keep you posted on how you can help change a child's life with your donation. We'll also be giving you information to share with family and friends to get them involved. They say it takes a village to raise a child, and on October 30th you can be part of that village!

Meet Jenny!

Some of you may have had the chance to meet our new Executive Assistant, Jenny, if you've stopped by the office for a meeting but for most of our volunteers she's a voice at the end of the phone asking for updates to their C.A.S.A. files. Now you can put a face to the name!

In the months that she has worked here Jenny has been invaluable to the C.A.S.A. Office and we are so lucky to have her as part of our staff!

Thank you to our newest partner!

We are happy to announce that Edison International has awarded CASA a \$5,000 grant to recruit, screen, train, and professionally support and supervise more CASA volunteers to mentor and advocate on behalf of foster youth.
